Park Day is an annual event sponsored by the Civil War Preservation Trust and the History Channel. On April 2, 2011, volunteers around the country will meet to preserve and maintain the grounds of Civil War battlefields. Help Fort Fisher join the more than 100 Civil War sites participating in 2011!

Volunteers will receive a Civil War Preservation Trust Park Day t-shirt and patch. Lunch will be provided by the site and volunteers are welcome to join in an afternoon activity following the meal.

All volunteers should pre-register by contacting Fort Fisher SHS:
amy.thornton@ncdcr.gov
or (910) 458-5538 x201.
